1. The intending contractors may submit tenders for carting the whole of the produce of one or at most of two of the above forests.

2. The contractors will be required to enter into a written agreement with the Forest Department to place whatever number of carts the Superintendent of Forests may direct upon the works, and to lodge in the Treasury the sum of Rs. 500 for each forest as security for the satisfactory and expeditious performance of the work by them.

3. During the continuance of sleeper timber felling, the probable amounts of this kind of timber which the contractor of each forest will be required to cart, will be about 6,000 cubic feet per mensem exclusive of large and small timber for other purposes, bamboos, &c., and in the case of certain forests, wherein much felled sleeper timber is now lying, the amount which, until such balance may be removed, the contractor of such forests will be required to cart will be not less than 12,000 feet per mensem.

4. Tenders will be received by the Superintendent of Forests, Mysore, up to the 20th of August 1883, it being clearly understood—

(*a*) That the tenders are for the removal of all produce of not more than two of the forests named.

(*b*) That the intending contractors are prepared to lodge Rs. 500 in the Treasury either in cash, currency notes, or Government securities, as security for fulfilment of their contract.

(*c*) That in the event of the contractors failing to perform their contract, the amount deposited as security will be forfeited to Government.
